

RICHARD GASAWAY

AN INCONVENIENT PURPOSE

LINKING GODLY STEWARDSHIP AND ALTERNATIVE ENERGY

HOW SHOULD A CHRISTIAN RESPOND TO GLOBAL WARMING?

If you have wondered . . .

- Why is the price of gas so volatile?
- What's the truth about global warming and climate change?
- Why should I care about the unrest in the Middle East?
- Why is energy independence important to our national security?
- What alternatives to oil do we have? How do they work?
- How do we get from dependence on Middle East oil, to energy independence and responsible stewardship of the Earth?

. . . *An Inconvenient Purpose* will be a valuable resource. Drawing on his experience as a designer of electrical power plants, Richard Gasaway offers information and suggestions for Christians who care about creating a better, cleaner world.
